HOW TO GIVE FEEDBACK

GIVING FEEDBACK

Start with
positive
feedback.

I like...

@melanieceleja.design

There is always something you can compliment. Start with that!

This is also a good way to start a dialogue.

HOW TO GIVE FEEDBACK

GIVING FEEDBACK

Next is
constructive
feedback.

I wish...

@melaniecalleja.design

**Phrasing
constructive
feedback lessens
the negative impact
of “I don’t like...”**

**It also makes the
feedback actionable
and hopeful.**

HOW TO GIVE FEEDBACK

GIVING FEEDBACK

Finish with
a suggestion
or new idea.

I wonder...

@melaniecalleja.design

This is for a suggestion, but does so in a way that isn't overly assertive.

HOW TO GIVE FEEDBACK

I LIKE... what do you like? Start with a positive.

I WISH... what could change? Phrased in a way that is hopeful and actionable, not negative.

I WONDER... what suggestions do you have, without being overbearing?
